Active Security Clearance - NACLIC, OPM

Experience

Ardum

Creative Director / 3D Artist, Nov 2022 - Current

- Provided strategic direction for 3D animation and motion graphics projects, ensuring alignment with brand goals and visual storytelling objectives.
- Effectively convey the client's brand messaging and marketing objectives through conceptual renderings, motion graphics, and branding projects for use across social, digital, and traditional media.
- Manage project timelines, ensuring timely delivery of work and maintaining open communication with clients throughout the entire production process.

Metrea (acquired Bear Defense Services - Oct 2021)

Creative Manager, Feb 2022 – Nov 2022

- Collaborated with Senior Management and Subject Matter Experts to develop creative content that addressed and explained company solutions to complex problems while adhering to branding strategy and quality standards.
- Created 3D concept animations and renderings to showcase company solutions for United States military and DoD customers across multiple domains, including air, space, and electromagnetic.
- Efficiently coordinated and executed project requests across a 900-employee company, utilizing a newly implemented Creative Project Request form. Additionally, captured impactful visuals of aircraft, products, facilities, and services for future marketing campaigns.

Bear Defense Services (acquired by Metrea - Oct 2021)

3D Artist / Project Manager, Oct 2014 - Feb 2022

- Undertook end-to-end responsibilities for modeling, texturing, lighting, animation, editing, and compositing, while maintaining direct communication with clients to ensure exceptional quality.
- Utilized CAD models to create 3D concept animations and renderings to showcase company solutions for United States military and DoD customers across multiple domains.
- Converting complex data and information into clear, easy-to-understand graphic visualizations while adhering to strict security protocols and ensuring that classified or sensitive information is handled appropriately.

Pascale Exhibits

3D Artist, Feb 2014 - Sept 2014

- Collaborated with clients to design and create custom trade show booths, incorporating customer graphics, branding, and 3D renderings.
- Created 3D replicas of client products, modeling, texturing, and implementing them in 3D renders. Additionally, developed animated and print assembly instructions.

Pipe Dreams 3D

3D Generalist, Oct 2012 - Jan 2014

- Led the creation of animatic scripts, ensuring timely delivery and meeting deadlines for high-profile clients including Best Buy, Vitamin Water, Scrubbin' Bubbles, and others.
- Undertook end-to-end responsibilities for modeling, texturing, lighting, animation, editing, and compositing, while maintaining direct communication with clients to ensure exceptional quality.
